

Attention to: Participants,

Handling of Personal Information

Secretary General
Personal Information Administrator
Japan International Cooperation Center (JICE)

JICE has been making every effort to handle appropriately all personal information it receives. We hope that you will understand the matters stipulated below and agree to provide the requested personal information.

We are acquiring personal information for the purpose of conducting the following business matters. Your personal information will not be used for any other purposes than specified below.

- 1) Coordinating your participation in the International Exchange Program
- 2) Sending/collecting various documents and questionnaires
- 3) Emergency contact
- 4) Posting photos/videos in program reports and PR mediums (homepage, annual report, PR magazines, social media, etc.)
- 5) Others: provision of information on JICE's activities, such as support for the management of international training programs and international student programs, international exchange programs, multicultural promotion, support for development education, and provision of convention and seminar services, etc.

JICE may pass on personal information you provide to third parties for the purpose of implementing programs including follow-up programs after your participation in the program.

In addition, JICE may provide the organizations specified below with the personal information obtained from you for the implementation of programs including follow-up programs after your participation in the program by hand, mail, fax, or e-mail. The attribution, the purposes of the provision of the information by JICE, and the information items are as stipulated below:

a) The organizations to be provided with your personal information
Organizations involved in the implementation and operation of the Program (MOFA, the Embassy of Japan in the target countries, related international organizations, etc.), as well as the implementing organization staff, travel agencies, lecturers, representatives at visited companies/organizations, faculty at schools of exchange, host families, printing companies, and among participants

b) The purposes of the provision
To share information of participants for the implementation of the program, selecting participants, conducting questionnaires, and creating materials related to JICE programs.

c) Personal information items to be provided
Name, age, date of birth, gender, e-mail address, school name, language qualifications/experience, experience with organization activities/international exchange projects/travelling abroad, purpose of application, self-introduction, photos/videos taken during the Program by JICE or any other third party, etc.

The provision of personal information to JICE is left to your discretion. However, in cases where some personal information is not provided, it may not be possible for JICE to make an appropriate judgment or

decision regarding the implementation of programs including follow-up programs after your participation in the program.

Regarding the personal information provided to JICE, you have the right to request notification of the purpose of the utilization of the information, disclosure of the information, amendments to the information, additions or deletions of information, complete elimination, or cessation of the utilization of the personal information itself, the suspension of the provision of the information, and disclosure of records of provision to third parties. If you wish to request any of the above, please contact the office below.

General Data Protection Regulation (GDPR) Privacy Policy

JICE processes and protects your personal data as follows, pursuant to the General Data Protection Regulation (hereinafter referred to as "GDPR") and JICE will commit ourselves to pursuing the following policy to properly handle and protect your personal information through the establishment of rules and a system compliant with the JISQ 15001 (personal information protection management standard) requirements to deploy the most secure system for that purpose.

Purpose for Processing Personal Data

JICE is acquiring personal information for the purpose of conducting the following business matters. Your personal information will not be used for any other purposes.

- (1) Implementation of Japan's Friendship Ties Programs "MIRAI" (hereinafter referred to as "MIRAI").
- (2) Others: provision of information on JICE's activities, such as support for management of international training programs and overseas student programs, international exchange programs, social integration, support for development education, convention and seminar services, etc.

Personal Data Categories

JICE process your personal data necessary for the purposes stated in "Purpose for Processing Personal Data". Such personal information includes: Name, Age, Sex, Health Condition, Food Allergies, Passport, Smoking Habit, Information of your School/Organization, Mother Tongue, Hobbies, Academic Awards, Photos including images of your face taken during the program and attached in Entry Form, Reports or Presentation documents you prepare etc...

The sensitive personal information you provide to JICE includes Nationality, Religion, Health Condition, Medicine, Pregnancy, Food Allergies will be used only for such purposes as smooth implementation of the program.

Refusal to Provide Personal Data

The provision of personal information to JICE is left to your discretion. However, in cases where some personal information is not provided, it may not be possible for JICE to make an appropriate judgment regarding your participation in MIRAI.

Disclosure and Provision of Personal Data to other Parties

JICE will disclose and provide your personal data to other parties such as host families, Japanese schools and the related organizations or facilities to achieve the purposes stated in "Purpose for Processing Personal Data".

Your personal data may be disclosed or provided to authorities or recipients prescribed in laws and regulations where necessary to comply with EU law or the laws and regulations of members of the EU, EEA or U.K.

Transfers

JICE may transfer your personal data from within the EU, EEA or U.K to non EU, EEA, or U.K. countries and regions in order to achieve the purposes stated in "Purpose for Processing Personal Data". You shall be deemed as having consented to the matters by consenting to the Privacy Policy.

Management of Personal Data

In receiving your personal data, JICE will manage such data according to the strictest standards. JICE ensures that the board members and employees are properly trained regarding appropriate handling to safeguard the security of your personal data. JICE will keep your personal information for years in order to follow up/analyse its business activities.

Request about handling of Personal Information

In regards to the personal information provided to JICE, you have the right to request notification of the purpose of the utilization of the information, disclosure of the information, amendments to the information, additions or deletions of information, complete elimination of or cessation of the utilization of the personal information itself, and the suspension of the provision of the information in accordance with GDPR.

Lodging a complaint with an authority

You have the right to lodge a complaint on the processing of their personal data with the data protection authority having jurisdiction over your residence.

The contact information of data protection officer

You can contact JICE's data protection officer at privacy@jice.org.
